New Field for Advertisers.

Not even heaven itself is sacred to the advertiser and the Milky Way is about to become a valuable advertising medium. The other night at Ealing, a town half THE STEEL HIGHWAYS THAT LEAD way between London and Windsor, an enterprising genius, rejoicing in the name of Sidney Hodges, succeeded in projecting a large and highly luminous letter on the sky by some means of his own invention and demonstrated to an interested party of spectators that with the electric light there would be no difficulty on a favorable night in displaying, not only letters, but words and signals in the same fashion. The heavens will soon be telling, besides their own family. Apply to MRS. MARY RILEY. story, one of certain people's soap, or liver pills, or porous plasters. To what extent this new branch of advertising enterprise will interfere with the science of astronomy can only be left to the imagination.

The Emerson Piano.

The Emerson Piano Company of Boston Mass., and 92 Fifth Avenue, New York, have had a long and successful experience in the manufacture of pianos, and have attained an enviable reputation. These planes are of the very finest tone and of the best material and workmanship, and are sold at moderate prices and on reasonable terms. As a general thing a person buys a piano but once in a lifetime, and it is, therefore, very important that the instrument should combine as many desirable features of a permanent character as possible Manufacturers of good reputation and of long standing should be the favored ones. Cost—A lady's slik Handkerchief. Finder please leave at Mrs. Kate Bierley's and receive reward. The Emerson Piano Company have made and sold upward of sixty thousand planes; and they warrant every instrument sent from their factory. They will send to any of our readers who may be thinking of purchasing a piano, their illustrated catalogue free of charge; and it will be found to be an interest ing publication.
